COACH ESSENTIALS

Stay Connected

- Staying spiritually nourished is essential—not just for ourselves but for the growth of our group members.
- In John 15, Jesus uses the metaphor of the vine and branches to call His followers to “abide” in Him. When we stay deeply connected to Jesus, we open ourselves to His transformative work in us and through us.
- *Are you first staying rooted in your relationship with Jesus, recognizing that apart from Him, you can do nothing? How are you helping your group members stay connected to Him?*

Provide Care

- Genuine care is shown in both big and small ways.
- As the saying goes, “People don’t care how much you know until they know how much you care.” Creating a culture of care ensures that everyone feels seen, supported, and valued.
- *Is caring for one another a core priority in your group? How are you modeling and encouraging this?*

Share Resources

- Providing timely resources helps group leaders feel confident and prepared.
- Regularly reminding them to utilize tools like the 90-Day Plan, weekly discussion questions, and group agreements ensures they are well-equipped to lead effectively.
- *How are you supporting your leaders with the right resources for ministry?*

Encourage Spiritual Rhythms

- Spiritual rhythms don’t stop after Rooted—they are a lifelong pursuit.
- Daily devotions, prayer, serving the community, celebrating what God is doing in our lives and other spiritual rhythms are vital practices for growth and deeper connection with God.
- *Are you reminding the group leaders that spiritual rhythms are a regular part of a group’s journey together?*
